

NORTH OKANAGAN MINOR HOCKEY ASSOCIATION RETURNING COACH APPLICATION FORM

As a returning coach, we would like to thank you for your dedication and commitment to our association during the last season and we look forward to hopefully working with you again in the upcoming season. We understand the dedication and time required to be a good hockey coach and mentor for our young players.

The following are mandatory criteria for being selected as a coach for the upcoming season:

- **RCMP Criminal Record Check.** This process is now done on-line and there is no cost to you or the association. It is mandated by Hockey Canada that this process is undertaken every 2 years. As this is the first season using the on-line system, all individuals associated with NOMHA will be required to undertake this CRC.
- **Respect in Sports.** This is an on-line course and there is a charge of \$33.60. Upon successful completion of the course, you will be reimbursed by the association. It is mandated by Hockey Canada that this course is taken every 5 years.
- **Hockey Canada Coaching Certification.** This certificate will depend on the level of hockey (Recreation or Rep) you have been selected to coach.

Once you have been selected, your Hockey Canada Record will be reviewed to determine what qualifications have expired or are now required for your selected position. You will receive an e-mail from the association notifying you on how to proceed with the above requirements, if necessary.

The following are the Stages in the selection process for a coach:
